Hi everyone!

I'm Suri, author of Kasumi. Thanks a bunch for buying and reading Kasumi, vol 2! I assume that you've also read vol 1 and I want to thank you all for your continuous support! Sugimoto-san and I are very grateful for your faith in us! *bow* *bow*

It's not easy to write under pressure so to relax, I like to listen to jpop, read manga, and watch J-doramas. Sugimoto san and I like to share music so we can inspire each other. Sometimes I would tell him the song I was listening to when I wrote the chapter so that he can listen to it, too, and better understand my feelings and thoughts at that time ^_^

There were times when I wondered what on earth I was thinking about when those weird ideas popped into my head. Like the Jello prank that Kasumi would play on the RSF in the library. Imagine globs of slimy Jell-O -_-<

Apparently, I was the only one who thought it was funny! *Hazukashii!* I was the only one laughing when I described the plot. I'm so embarrassed. Let's just say it didn't get the green light from the rest of the team. What was I thinking? @_@.

OH, I GET IT! KAMIKI TOLD ME ABOUT A PRIESTESS... YOU'RE THE ONE THAT I'M SUPPOSED TO FIND!
Ah!
WAIT... BUT YOU'RE DEAD...ERM... What am I supposed to do?
YES.
WELL... MAIKO-CHAN'S THE PRIESTESS NOW. SHE CAN GUIDE ME, RIGHT?
YES, EACH "GIFTED" PERSON IS A DESCENDANT OF A "CHOSEN." A "CHOSEN" IS SELECTED BY KAMIKI— THE TREE GOD.
WHEN A "CHOSEN" DIES, A NEW "CHOSEN" IS SELECTED. ONLY ONE "CHOSEN" CAN EXIST AT ONE TIME.
ALL OF US?
BECAUSE MAIKO IS YOUNG AND INEXPERIENCED, WE AGREED THAT I SHOULD SPEAK FOR ALL OF US.
ALL THE PRIESTESSES, PAST AND PRESENT.
YES...
DID YOU SAY "A" CHOSEN? ARE YOU SAYING THERE'S MORE THAN ONE?
WAIT...
HOW DID YOU KNOW THAT I'M A CHOSEN?!
WE ARE HAPPY TO FINALLY MEET A "CHOSEN ONE" AGAIN.

Flip
THIS BOOK HAS BEEN PASSED DOWN FOR GENERATIONS IN OUR FAMILY.
OUR DUTY IS TO PROTECT THE BOOK FROM THOSE WHO SEEK TO USE IT FOR EVIL.
Flip, flip
THEY CAN ONLY BE REVEALED TO THE ONE CHOSEN BY KAMIKI.
BUT THE PAGES ARE ALL BLANK!
ONE OF OUR ANCESTORS HAD WHISPERED OF A PROPHESY.
BUT...WE WERE NOT SURE WHAT IT MEANS ONLY THAT WHEN THE TIME COMES, THE FORSAKEN WILL RISE AGAIN.
WE THINK THE SIGNS HAVE BEGUN TO APPEAR...AND THE KAMI SPIRIT LIGHTS ARE RESTLESS.
HENCE, I WAS ABLE TO IMPART ONLY SOME OF OUR KNOWLEDGE.
UNFORTUNATELY, I DID NOT NOTICE HER ABILITIES UNTIL LATER.
Flip
MAIKO IS THE LAST OF OUR BLOODLINE.
YOU MUST HELP HER.
SHE NEEDS YOU, THE CHOSEN ONE, TO UNLEASH HER POWERS.
YOU NEED NOT WORRY.
THE BOOK OF THE MISTY FOREST WILL GUIDE BOTH OF YOU.
Creek...
BUT...
I DON'T THINK I'M THE RIGHT PERSON FOR THIS.
Why did Kamiki choose me?

AAHH!! I REALLY DIDN'T MEAN TO! I SWEAR!
ARE THEY LIKE THE SCARY GHOSTS WE SAW THE OTHER DAY?!
YES.
THE FOR-SAKEN?
Twoosh
Shoosh
HUH?!
WHY DID KAMIKI LEAVE THEM? WHAT HAPPENED?
!
Twitch!
IT'S INEVITABLE... NO ONE CAN STOP THE PROPHESY. THE FORSAKEN ARE THE EVIL "GIFTED" WHO LOST THEIR POWERS WHEN KAMIKI LEFT THEM.

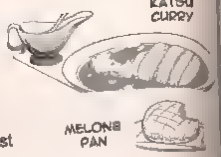
Katsu curry and melon pan

In Chapter 5, Kasumi-chan is eating "katsu curry," which is a beef curry rice dish with deep-fried pork cutlet. And the round bread on the right is called "melong pan," which means "melon bread." I've heard that it's named after its look. It has a lattice-shaped pattern on the surface like netted melon. Melon pan is green and sweet and has a sweet biscuit cover over the bread. You can find it in almost every bakery in Japan and it's Maiko-chan's favorite pan.



Household altar and talismans

This picture of Maiko-chan's house in Chapter 6 shows a small altar called "Kamidana." It is placed high on the wall to enshrine a kami god. The papers that are pasted on the pillars, which Kasumi-chan calls "spirit seals," are talismans to ward off spirits. They're called "ofuda" or "gofu." Since they're there, it must mean that Maiko-chan's place is haunted! It must be tough to be able to see ghosts all the time!

The following are some Japanese words that came up in this book. These words are used in everyday conversations.

"Gomen"

The word "gomen" means "sorry." It's used when you apologize casually. I was so excited about the ComicCon that I forgot to tell Kasumi-chan that we can't go home with her. Oops!

"Onegai"

You may be able to guess from Kasumi-chan's expression on the right. "Onegai" means "please." It's used when you ask someone for a favor or for permission. How can I resist her plea for help, especially when she needs me so much?

"Sumimasen"

"Sumimasen" means "excuse me" or "sorry." In Chapter 6, Kasumi-chan was standing at the front door of Maiko-chan's house, Kasumi-chan is checking if anybody's home. She is saying that she is sorry for disturbing.

"Taihen!"

When the word "taihen" is used in a sentence it means much, great, serious, etc." But when used alone, it may "Oh no!" or "Terrible!" On the left, Noriko-chan is informing Kasumi-chan that there's big trouble.

Yuuta's Guide to Japanese Words and Culture

Here, I, Yuuto Goodwin, the cultural expert, will explain the words and references to Japanese culture that come up in the story. Okay, here we go!

The Shrine

In Chapter 2, we found a shrine in the *Windy Garden*. It was built to appease the spirits. But Kasumi-chan somehow broke the spiritual barrier when she touched the spiritual rope and the evil spirits escaped! Oh my gosh, that was super scary!

Kogals vs. Ganguros

The girls that appear in Chapter 3 as Saiji-senpai's fans are "Kogals." Kogals are high school girls with dyed light brown hair or streaked hair, who wear lots of makeup, short skirts, loose socks, and leather loafers. They're always trying to be different and are known to have the latest gadgets and newest designer accessories. These rich girls sport an artificial Californian suntan and love to buy expensive brand-name items like Louis Vuitton and Burberry. By the way, those Kogals with dark faces who use dark foundation or undergo excessive tanning are called "Ganguros."

Bishonen

Chapter 3, Saiji-senpai's male fans are called "Bishonens." It means "beautiful boys" and usually refers to ...inal fragile, not too muscular, trim ... beautiful-faced boys. Does that ...m a bishonen, too? Hmm... ... a bishonen, are the famous "STARZ." They like ... out with Saiji-senpai, who's Seiran's ... only son and the most popular ... handsome guy in Seiran.

Seiza

In the picture below, Maiko-chan, actually her obaasan, is sitting on the bed folding her legs under her, which is called "seiza." Seiza is the proper way to sit in a Japanese-style room. To be polite, she turned to Kasumi-chan in seiza position and bowed to her.

Ryuuki wasn't lying about the "others" who are out to get her. Kasumi is starting to realize that it might be better to hide in the shadows than to be at the center of attention.

However, Seiji insists on forming a "Magic Play Club" to showcase Kasumi's magic, despite everyone's objections. Will this alert the evil organization that is searching for a Gifted like her?

Find out what happens in Volume 3!

Get to know Kasumi's Team

(Guess what food we think is yucky!)

Koyadofu (freeze-dried tofu) It's the kind you boil in dashi soup. It's supposedly healthy but to me it tastes like a sponge!

Boiled chicken skin! The white skin looks gross, tastes gross, and is gross.

Green Peppers are too bitter!

I like everything...but if I were to pick, I would say Umeboshi (pickled plums), especially the ones with seeds.

Raw Salmon eggs. I don't like how they taste like the beach and not in a good way.

Nato with raw squid and raw egg. The sticky, gooey texture and the raw smell of the sea make me feel sick!

Are you a fan of Kasumi? Send us your fan art and we'll post it on our site and send you a special gift! ^_^
